

# the LANTERN'S LIGHT

by the Many Point Alumni Association

Vol. 31, Issue 2

Spring, 2017

**S**pring is here, and the Spring Fling is just around the corner. We're anxious to see everyone this year. Please join us!

The Alumni Association reserved the entire Utepils brewery located in Minneapolis just off Glenwood Ave. The gathering is on April 21st, and starts at 6:00PM. Feel free to bring guests. We'll have some casual activities including bingo, a annual video presentation, and our annual meeting.

Many Point is gearing up for a great summer. To get engaged, we do have some different events coming up.

There is our Alumni Work Party on May 12-15th, the Many Point work party on June 2-4. We will also have our Alumni Campout after the camping season on August 25-27.

We're also excited to start recording the Many Point Album, Vol. II. This album is our premium gift this year for those who contribute \$40 or more. The album will be available in early June.

Our group continues to be strong. Our membership and involvement is on the rise. Thank you for your support!

- Mike Kuklok,  
MPSAA President

# REMEMBERING PAUL JOUBERT

The MPSAA is saddened to report the passing of Paul Joubert on May 22, 2016. Paul was 72. Paul worked on the Many Point staff for 5 summers: a CIT in 1958, an Apprentice in the main area Trading Post in 1959, a Counselor in Buckskin in 1960, and Assistant Camp Director in the Explorer Base (now Voyageurs Camp) in 1961 and 1962.

Paul graduated from Richfield High School, then attended the University of Minnesota, where he was a member of the Scouting fraternity, Alpha Phi Omega. With an interest in aviation, he spent 38 years with Northwest Airlines, where he became station manager in several locations.

Paul is fondly remembered by his Many Point staff contemporaries as a conscientious and hard-working colleague who was also respected and liked by the Scouts and adult leaders he served.

Paul is survived by his wife, Sandra Joubert. The MPSAA extends a special thanks to her for sending Paul's collection of Many Point memorabilia for its archives.
